

# Call for Papers

## Special issue of *Signal Processing: Image Communication* on Content-Based Multimedia Indexing (CBMI).

**Guest Editors: Ebroul Izquierdo, Jenny Benois-Pineau,  
Regine André-Obrecht**

Topics of interest for submissions include, but are not limited to:

- Multimedia content extraction indexing and retrieval (image, audio, video, text)
- Matching and similarity search
- Construction of high level indices
- Multi-modal and cross-modal indexing
- Content-based search techniques
- Multimedia data mining
- Presentation tools
- Meta-data compression and transformation
- Handling of very large scale multimedia database
- Organisation, summarisation and browsing of multimedia documents
- Evaluation and metrics
- Applications

*Priority will be given to extended versions of CBMI'2007 submissions (see below)*

### **Dates:**

Submission of papers: March 1<sup>st</sup>, 2007

Submission of final accepted papers: July 10<sup>th</sup> 2007

Publication of special issue: November 2007

### **Content-Based Multimedia Indexing (CBMI) Workshop, June 25–27, 2007, Bordeaux, France**

Following the four successful previous events of CBMI (Toulouse 1999, Brescia 2001, Rennes 2003 and Riga 2005), CBMI'07, which is endorsed by EURASIP, IEEE CAS DSP TC, European Networks Muscle and COST292, INRIA and CNRS aims at bringing together communities involved in the different aspects of Content-Based Multimedia Indexing. The scientific program of CBMI'07 will include invited plenary talks, special sessions, as well as regular sessions with contributed research papers on the topics listed in the call for special issue above. CBMI'07 will be held at the University of Bordeaux, France, on June 25–27, 2007.

### **Paper submissions:**

Prospective authors are invited to submit full papers of not more than eight (8) pages including results, figures and references through the conference web site: <http://cbmi07.labri.fr/>. The authors are encouraged to submit extended versions of their paper to the special issue of **Signal Processing: Image Communication on CBMI**.

### **Important dates:**

Submission of full papers (to be received by): January 25, 2007

Notification of acceptance: March 10, 2007

Submission of camera-ready papers: April 10, 2007
